I Want to Stop Government Funded Religious Predators and Support Constitutional Religious Freedom For All

Dear Mikey Weinstein,

I have read about the members of the military who are being subjected to unwanted proselytizing. I know they come to MRFF for help because their chain of command is broken and they have nowhere else to turn. I understand MRFF clients are under extreme pressure to conform to a single belief system. To help MRFF continue to support and promote religious freedom in the U.S. Armed Forces and to continue your important and critical legal efforts, I am enclosing my fully tax-deductible donation as indicated below:

☐ I want to make a one-time fully tax-deductible donation to support the all-important work being done by the Military Religious Freedom Foundation.
