RE: Supplemental Information, *Amended* MRFF Complaint,  
Your Case # 20170404-042380

Dear Ms. Garrison:

I am submitting the attached Declaration Under Penalty of Perjury from MRFF President, Michael L. “Mikey” Weinstein, Esq. We are providing this to your office in an attempt to clarify further misinformation by Lt Col Jonathan Dowty, USAF about Brig Gen (Sel) Kristin Goodwin. Specifically Lt Col Dowty is now alleging that Brig Gen (Sel) Goodwin is somehow “using” the MRFF to issue public statements or conversely, that MRFF is “using” her as a basis for MRFF’s pending complaints in this matter, to include those pertaining to gender identity bias and discrimination.

As I noted in my last correspondence with you (17 April 2017), Brig Gen (Sel) is *not* my client, nor have I ever communicated with her about anything, much less MRFF’s Complaints herein. Mr. Weinstein’s Declaration is submitted to clarify how the MRFF became aware of Brig Gen (Sel) Goodwin’s amenability to cooperate in this investigation and to thus, hopefully save your Investigator some time and effort in not having to seek clarification on this.

MRFF, by and through its undersigned counsel, agrees and consents to your office’s release of this document and its attachment for any purpose deemed appropriate to your investigation in this matter.

Respectfully submitted,

*/s/ Donald G. Rehkopf, Jr.*
